	CANDIDATES	SUPPORT IHRA DEFINITION OF ANTI-SEMITISM TO MAKE IT HATE SPEECH*	VOCAL AND ACTIVE AGAINST ANTISEMITISM AND FOR ISRAEL	NOTES
	Emil “Yitz” Stern	✓	✓	Stern / Hernandez Carroll will act decisively to support, advocate, build coalitions, and vote for fighting antisemitism and supporting Israel.
	Rosemary Hernandez Carroll	✓	✓	
	Tamar Warburg	—	—	Warburg / Park are running on Steve Fulop’s ticket. Fulop opposes the IHRA definition of antisemitism. Accordingly, Warburg / Park know in advance that even if they support the IHRA definition, it will not pass with Fulop. This limits their effectiveness and indicates a willingness to compromise in the fight against antisemitism and for Israel.
	Dan Park	—	—	
	Shama Haider	✗	—	Haider has refused to be a leadership voice to fight antisemitism and protect Israel, including not co-sponsoring the IHRA definition of antisemitism.
	Ellen Park	✓	—	While Park is a co-sponsor of the IHRA definition on antisemitism, she has not proven herself to be a leading voice against antisemitism or for Israel.

* New Jersey Senate bill 1292 / Assembly bill 3558 would adopt the International Holocaust Remembrance Alliance (IHRA) definition of Antisemitism as have 46 countries and 37 US states plus the District of Columbia.
